The important affair in the feminine world today is "What are the styles to be?" Alter careful investigations in New York, that pre-eminent fashion center from which we recently returned styles are briefly summarized as follows:

Skirts Ol suits, street dresses and separale skirts are straight, seant and short. Nearly all show trimming of some sort, buttons, bands or a simulated tunic.

Coats To suits are short, about 24 inches. Separate coats are full length. Both are straight without taper at the weist. Collars and reveres are almost invariably used and onesided effects in trimming and fastening are very popular.

Waists To harmonize with snits are much in evidence, chiffon and pretty striped silks leading. The setin sleeve replaces the kimona. Dutch necks and short sleeves predominate, though high necks and short sleeves are also shown

Dresses Serge, silk and lingerie are all popular. The slightly raised waist line continues. Plain net and shodow laces are used for yokes.

Fabrics and Colors in wools, serge, whipcord and light mixtures. In silks—soft tuffeta, foulard and all satin-finished fabrics. Tan is the leading color, in every shade from champagne to leather. Blue, the ever popular, holds full sway chiefly in medium navy. Copen is not ignored and a great white season is predicted later,

Trimmings Embrace the whole range of laces. Beaded effects are good: Fringe has not lost its vogue. Buttons are used-glass and china the newest note. Floral garnitures hold a leading place. Fabric trimming in the form of ell-covered cords and folds is popular. Embroidery occupies as There is scarcely a style requirement enumerated above we are

not prepared to meet amply and economically.

Silks Are still in generous assortment, but every day the stock narrows to some extent. Don't delay too long.

It has been shown that the average express rate in ten foreign countries was \$4.25 per ton, while the Express Companies of the United States charge \$31.20 per ton. As a matter of information to those desiring to attend the Grand Lodge meeting at Port land, Oregon, next July and who may be desirions of ascertaining the cost, the Kentucky Elk editor is informed by a well posted railroad man that from points in Kentucky, Indiana and Ohio it would cost about \$250.00 to make the round trip in comfort, which, of course includes reasonable rate hotels, meals and possibly a short side trip or two.—Kentucky Elk Louisville.

### Are You Nervous?

What makes you nervous? It is the weakness of your womanly constitution, which cannot stand the strain of the hard work you do. As a result, you break down, and ruin your entire nervous system. Don't keep this up! Take Cardui, the woman's tonic. Cardui is made from purely vegetable ingredients. It acts gently on the womanly organs, and helps them to do their proper work. It relieves pain and restores health, in a natural manner, by going to the source of the trouble and building up the bodily strength,

# Woman's Tonic

Mrs. Grace Fortner, of Man, W. Va., took Cardul. This is what she says about it: "I was so weak and nervous, I could not bear to have anyone near me. I had fainting spells, and I lost flesh every day. The first dose of Cardul helped me. Now, I am entirely cured of the lainting spells, and I cannot say enough for Cardul, for I know it saved my life." It is the best tonic for women.

With a view to more nearly equalizing the two districts Mr. Keller of fered an amendment, which was promptly voted down. All other amendments among them one by L. B. Herrington of Madison county, seeking to place Clark county in the Eighth District; another by R. C. Mr. McClure made an impassioned appeal for his amendment, and as an argument for it said Congressman John W. Langley, Republican, was opposing it.

In defence of his amendment Representative Reed said that those who finally had "whipped into shape" the Priebard bill bad made the Ninth District the dumping ground for all counties they could not dispose of the President as a progressive.

"Under the bill as drawn," he said, 'The Ninth is the greatest congressional district in the State. It will be more of an honor to he Congressman from that district than to be Governor of Kentucky if you keep on. This measure we are considering was drawn to suit a few politicians in the

When shown positive and reliable proof that a certain remedy had cured many cases of female ills, wouldn't any sensible woman conclude that the same remedy would also

benefit her if suffering with the same trouble? Here are five letters from southern women which prove the efficiency of Lydia E. Pinkham's Vegetable Compound.

LETTER FROM VIRGINIA.

Elliston, Va.—"I feel it my duty to express my thanks to you and your great medicine. I was a sufferer from female troubles and had been confined in bed over one third of my time for ten months. I could not do my housework and had fainting spells so that my husband could not leave me alone for five minutes at a time,

Now I owe my health to Lydia E. Pinkham's Vegetable Compound and Blood Purifier. Whenever I see a suffering woman I want to tell her what these inedicines have done for me and I will always speak a good word for them."-Mrs. Roneut Blankenship, Elliston, Montgomery Co., Va.

LETTER FROM LOUISIANA.

New Orleans, La .- "I was passing through the Change of Life and before I took Lydia E. Pinkham's Vegetable Compound I was troubled with not flashes, weak and dizzy feelings, backache and irregularities. I would get up in the morning feeling tired out and not fit to do anything. "Since I have been taking your Compound and Blood Purifier I feel all right. Your medicines are worth their weight in gold."—Mrs. GASTON BLONDEAU, 1541 Polymnia St., New Orleans, La.

LETTER FROM FLORIDA.

Wanchuia, Fia.- "Some time ago I wrote to you giving you my symptoms, headache, backache, bearing-down, and discomfort in walking, caused by female troubles.

"I got two bottles of Lydia E I'lnicham's Vegetable Compound and a package of Sanative Wash and that was all I used to make me a well woman. "I am satisfied that if I had done like a good many women, and had not taken your remedies, I would have been a great sufferer. But I started in time with the right medicine and got well. It did not cost very much either. I feel that you are a friend to all women and I would rather use your remedies than have a doctor," - Mrs. MATTIE Hopnor, Box 406, Wan-

LETTER FROM WEST VIRGINIA.

Martinsburg, W. Va.-" I am glad to say that Lydia E. Pinkham's Vegetable Compound has done wonders for my mother, daughter and myself, "I have told dozens of people about it and my daughter says that when she hears a girl complaining with cramps, she tells her to take your Compound."—Mrs. MARY A. HOCKENHERRY, 712 N. 3rd St., Martinsburg, W. Va.

ANOTHER LETTER FROM VIRGINIA. Newport News, Va.—"About five years ago I was troubled with such pains

and bloating every month that I would have to go to bed.
"A friend told me to take Lydia E. Pinkham's Vegetable Compound and I soon found relief. The medicine strengthened me in every way and my doctor approved of my taking it.

"I will be glad if my testimony will help some one who is suffering from female weakness."—Mrs. W. J. BLAYTON, 1029 Hampton Ave., Newport
